Product Discontinuance Notice

Dear Valued Customer:

In order to provide better and flexible service, the following series have been removed from 2017 catalog. The recommended replacements are listed below.

Series Name	Features	Recommended Substitution
VLV	Low ESR, high reliability, anti-vibration	VZH with anti-vibration option
VLW	High temperature usage, 125°C, anti-vibration	VUA with anti-vibration option

Thank you for your continued interest and support of Lelon and our products.

If you have any questions regarding this notice, please contact with Lelon's regular sales representative.

Sincerely yours,

Tyrone Huang
